

# *Town of Shelburne, Vermont*

Development Review Board

Site Visit, Ewing Property

Tuesday, April 20, 2021

5:30 P.M.

As with all site visits, the purpose is to gain greater perspective on a land development proposal. While information will be learned, any specific testimony must be offered within the actual DRB hearing itself, which will be held on Wednesday evening, April 21, 2021. A separate agenda for that meeting will be prepared and posted.

## Directions:

*From Shelburne, on Cheesefactory Road, take a right onto Cheesefactory Lane, at end take a left onto the new road. Do not proceed straight into the neighbors (Walker, Saunder) driveway. A sign will be placed indicating where to turn left. There is ample parking.*
