We are both dedicated to doing what is best for the Town of Shelburne, even if we may disagree at times on specific topics.

Dr. Parker in her comments did not intend to impugn Mr. Ouimet's integrity and she appreciates his work as Fire Department Chief.

Mr. Ouimet respects Dr. Parker's responsibilities and obligations as a member of the Selectboard and appreciates her service on the Selectboard.

We have agreed to withdraw our respective ethics complaints, and to dismiss all litigation or claims arising from them. We will both continue to work on behalf of Shelburne to support and improve our community.
