

Friends of the Pierson Library

Spring/Summer 2005

June 2005

Oh! What fun Friends can have!

The Board of the Friends of the Pierson Library is looking for some ideas from you, our members. We are planning to set up a calendar of events which the Friends will sponsor. Our purpose is to help other Shelburne residents discover who we are and what we do, and at the same time provide us, the Friends, with some fun. We also want to generate good publicity for our group and for the Library as a center for community activities and good times, as well as access to good books, audio-visual materials and computers.

Frankly, we want to increase our membership, and we are always looking for people to act as officers, or volunteer for committees, or help with the book sale. So, with a tentative list of possible activities, would you please give us the benefit of your wisdom and check things you might like to do, or even better, suggest things we haven't considered yet! Just check off the list on the bottom corner and return it with your membership renewal.

Who are they?

These pictures were taken at Friends sponsored events several years ago. We no longer know who everyone was. Can you solve the mystery? Call Marti at 985-5124.

This was taken c.1986 at a farewell party for volunteer Virginia McTeague. We believe the man on the right is Phil Smardon. Who are the people on the right?

This was at a BBQ at the town beach c. 1987. Who are they?

The Benefits of Friends Membership!

Do you remember? Your membership will allow you to attend the members-only "preview" of the book sale on Friday evenings before the public has a chance to go through the books. Your membership is tax-deductible, as we are a non-profit organization. And, your membership helps to provide the Shelburne community with books, audio-visual materials, programs, refreshments for programs and computers

We want to do even more for our community and its library. Renew your membership now.

Once again, we thank all who are bringing books in for the sale. Keep October 7-9 open for this year's sale!
