Act 146 Disclosure

Act 146 of the Acts and Resolves of the 2009-2010 Legislative Session amends 24 VSA Sections 4449 (e) and 4463(d), such that,

[4449 (e)] Beginning October 1, 2010, any application for an approval or permit and any approval or permit issued under this section shall include a statement, in content and form approved by the secretary of natural resources, that state permits may be required and that the permittee should contact state agencies to determine what permits must be obtained before any construction may commence.

[4463(d),] Beginning October 1, 2010, any application for an approval and any approval issued under this section shall include a statement, in content and form approved by the secretary of natural resources, that state permits may be required and that the permittee should contact state agencies to determine what permits must be obtained before any construction may commence.

Thus, the Shelburne Planning and Zoning office does hereby notify 1) all applicants for any approvals under bylaws adopted pursuant to 24 VSA Chapter 117, and 2) all recipients of approvals for land development regulated by bylaws adopted pursuant to 24 VSA Chapter 117, as follows:

WARNING:

State permits may be required for this project.

Call (802) 879-5676 to speak to the state Permit Specialist before beginning any construction.
