Findings:

“The meeting agenda includes an item relating to the discussing of conservation projects. The SNRCC’s charge includes making recommendations to the Selectboard regarding use of the Open Space to purchase land or rights in land.

“Discussions involving potential land acquisition can be and often are complex, time consuming, and sensitive to outside influences. I believe others on the SNRCC would agree. I wish therefore to make two motions. The first provides justification for entering executive session, while the second, if approved, would cause the group to enter executive session.”

1st MOTION

“I move that the minutes show that SNRCC has made a finding that premature general public knowledge would place the public body or a person involved at a substantial disadvantage. 1 V.S.A. § 313(a)(1).”

2nd MOTION

“I move that the SNRCC enter executive session for the purpose of discussing a matter involving negotiation and/or securing real estate purchase or lease options, as authorized by 1 V.S.A. § 313(a)(2).”
