OF Shelburne Land Records
Attest:
Colleen T Haas
Town Clerk

meets the criteria necessary for inclusion under General Permit 3- 9015. Here after the named applicant shall be referred to as the permittee. Subject to the conditions of General Permit No. 3-9015, the permittee is authorized to discharge stormwater from the proposed Shelburne Athletic Fields and planned residential development located north of Harbor Road in Shelburne, Vermont to the LaPlatte River and McCabes Brook.

Manner of Discharge:

S/N 001: Stormwater runoff from the eastern portion of the site to a wet detention pond, ultimately discharging to the LaPlatte River.

S/N 002: Stormwater runoff from the southern portion of the site, including the residential development via grass channel to McCabe's Brook.

S/N 003: Stormwater runoff from the western portion of the site to McCabe's Brook after treatment via a sand filter.

Design: This project shall be constructed and operated in accordance with the site plans and details designed by Civil Engineering Associates, Inc. (Sheet T1, dated 8/04; C1, dated 7/04, last revised 9/15/04; C1A, dated 7/04; H1, dated 10/04; H2, dated 10/04; C2, dated 7/04, last revised 10/8/04; C3, dated 7/04, last revised 9/23/04; C4, dated 7/04; C6, dated 7/04; C3A, dated 10/04; C3B, dated 10/04).

By reference, the above noted plans are made part of this authorization.

Compliance with General Permit 3-9015 and this Authorization

The permittee shall comply with this authorization and all the terms and conditions of General Permit 3-9015, including the payment of annual operating fees to the Department. A billing statement for such fees will be sent to the permittee each year. The first year's statement is enclosed. Any permit non-compliance, including a failure to pay the annual operating fee, constitutes a violation of 10 V.S.A. Chapter 47 and may be grounds for an enforcement action or revocation of this authorization to discharge.

Transferability

This authorization to discharge is not transferable to any person except in compliance with Part VI.D. of General Permit 3-9015. A copy of General Permit 3-9015 is available from the Department via the internet at http://www.vtwaterquality.org/Stormwater/sw_3-9015_finalpermit.pdf

Changes to Permitted Development

In accordance with Part V.G. of General Permit 3-9015, the permittee shall notify the Department of any planned development or facility expansions or changes that may result in new or increased stormwater discharges. The Department shall determine the appropriateness of continued inclusion under General Permit 3-9015 by the modified development or facility.

Semi-Annual Inspection and Report

The stormwater collection, treatment and control system authorized herein shall be properly operated and maintained and shall be inspected at least twice per year, once in the spring after snowmelt and once in the fall prior to snow fall. The inspection shall evaluate the operation and maintenance and condition of the stormwater collection, treatment and control system. The permittee shall prepare a semiannual inspection report on a form available from the Department. The permittee shall, by November 1st and June 1st of each year, submit an inspection report to the Department.

Restatement of Compliance

An initial statement of compliance, signed by a designer, must be submitted to the Department no later than 6 months following completion of construction of the stormwater management system. Then, every 3 years thereafter, the permittee shall submit to the Department a written statement signed by a designer that the stormwater collection, treatment and control system authorized herein is properly operating and maintained. The first re-statement of compliance is due November 15, 2007. Failure to submit a designer's restatement of compliance shall constitute a violation of General Permit 3-9015 and may result in the revocation of this authorization to discharge.

Filing of this Authorization with Local Land Records

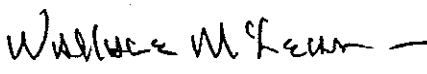

In accordance with Part VI.M. of General Permit 3-9015, the permittee shall file a copy of this authorization to discharge in the land records within seven (7) days of its issuance and a copy of the recording shall be provided to the Department within fourteen (14) days of the permittee's receipt of a copy of the recording from the local land records.

Effective Date and Expiration Date of this Authorization

This authorization to discharge shall become effective on November 15, 2004 and shall continue until November 15, 2014. The permittee shall reapply for coverage at least sixty (60) days prior to November 15, 2014.

Dated at Waterbury, VT this 15 day of November, 2004.

Jeffrey Wennberg, Commissioner
Department of Environmental Conservation

By 
Wallace McLean, Director
Water Quality Division
